## **New Windsocks at Rymer and Seaside Courts**

Thanks to the SJPA, new windsocks with the SJPA logo have been installed at the Rymer and Seaside courts. These windsocks replace the large, orange windsocks that were deemed too large for the courts and often got wrapped around the pole, providing no insight into the current wind condition. So now, you can feel more confident as you claim “the wind” as the fifth player during your game.

***Thanks for taking the time to read the Weekly Pickle. We welcome your feedback and any ideas you have for future issues of the newsletter.***

***See you at the courts!***
