Southport Elementary Pickleball Instruction

St. James is once again heading to Southport Elementary to have some fun and share the game we all love so much with the children of the Southport Community! We have been asked once again to volunteer to teach pickleball to 3rd, 4th and 5th grade classes. Ross Robertson, the school's PE teacher, would like us to teach the classes the fundamentals of the game. The first week consists of basic instruction followed by actual play in the second week. The program is scheduled from **March 31st - April 10th**. Classes are scheduled for Monday -Thursday as follows:

- 5th Grade: 11:40 AM - 12:40 PM
- 4th Grade: 1:45 PM - 2:40 PM
- 3rd Grade: 2:45 PM - 3:40 PM

You can volunteer for as many days as you like and for 1, 2 or 3 hours in a day. If you are interested in having some fun with the students, send an email to **Eileen Kopunek** (ekopunek@gmail.com).

Please forward this to any of your friends in St. James that might be interested. You do not need to be a member of the SJ Pickleball Association or clubs to participate. If you do not already have clearance in the Brunswick schools you will need to apply for that. It is quick and easy to do.
