Topics Covered

Resurfacing/Repair of courts

Court resurfacing/repair is scheduled to happen this spring. The board voted on a dark blue kitchen, a medium blue for the rest of the court, and green to surround the play area.

Wind screens at Rymer

The wind screens at Rymer on the street side will be rolled up until the weather improves. This should help the courts dry faster.

Gates at court entrances

New gates have been installed at the entrances of individual courts at Rymer.

Permanent whiteboard

A new 47" x 35" whiteboard with embedded text is being purchased to replace the existing whiteboard.

Clip boards

The board is researching oversized transparent clipboards that will allow rosters and game brackets to be mounted side by side.

Got Sneakers

We are looking for a volunteer to head up the SJPA side of the Got Sneakers campaign. Look for more information in the *Weekly Pickle*.
