Guests: Kent Silhanek, Kim Mihan and Brandee Donnelly

Absent ---Cynthia Mendoza - Instruction Committee Chair, Cindy Hettinger - Social Director

Topics Covered

Ball Machine

Kim is trying out different ball machines to determine which one she should recommend for Troon to purchase.

Problems with court booking

There are still problems with people booking courts they won't use including:

- People booking courts in their spouse's name

- Injured people booking courts
- People who are out of the country booking courts for other people

Kent will put out a communication emphasizing that if you don't intend to play you shouldn't book a court.

New policy for non-cancellations of courts

The new policy for failure to cancel unused courts through Court Reserve has gone into effect. There will be a six-month penalty after the third infraction within a year (beginning with the date of the first infraction).

Court resurfacing at Rymer

Resurfacing of courts, driveway and parking lot at Rymer will take place the first two weeks of August. Randy will put this information in the newsletter.

CFIL

CFIL interest emails have gone out. People respond to Cathy Rollins. She informs Joe Waskas, Mike Melnyk and Don Ammann, who will all be coaching.

The CFIL has decided that players need 50 DUPR matches to qualify. The coaches are reserving courts to give players opportunities to play more DUPR games to qualify.

CFIL play time has been moved to 5:30 to 8:30 at St. James for the fall season

Beginners' Round Robin

The instruction committee is taking a break from 5/21 through 9/9. Beginners' Round Robin will resume its schedule to play on Sept. 10.

The Good News Board

The Good News Board is up at Rymer, and people are using it to post birthdays, congratulations, etc.

Swop Don't Shop

Swop Don't Shop (an opportunity to donate gently used clothing in exchange for other gently used clothing – no money involved) is being moved to October to not interfere with the Got Sneakers campaign.

The misters

The misters at Rymer have been repaired. They operate on a timer. Kent will send out a communication asking people to please not attempt to adjust them.

Upcoming Events
